Spay/Neuter Fund

Thank you for saving the life of an animal through adoption. Did you know a donation today will help the Vanderburgh Humane Society save thousands of lives? Spaying and neutering is the only solution to ending the euthanasia of adoptable animals. The VHS has set up a fund to help underwrite the costs of spaying and neutering animals whose owners cannot afford the surgery. By donating, you help enable the Davidson/Rausch Clinic to serve more animals in an effort to end the pet overpopulation in our community.

Yes, I'd like to donate! \$5.00 \$10.00 \$20.00 Other: _____

I'm not able to donate at this time.

Thank you for taking the time to help us make the best match for you.
