MONETARY DONATIONS ARE ALWAYS ENCOURAGED!

With your financial support, we can afford to spend more money on what the public cannot purchase for us. Our largest expenses are not supplies, but medications, utilities, and other overhead costs. Make a donation anytime online at www.vhslifesaver.org or call (812) 426-2563 during business hours.

PET SUPPLIES:

We do accept donations of gently-used (or new) pet items such as beds, blankets, collars & leashes, carriers, crates, bowls, scratching posts, etc. as long as they are fairly clean and in decent condition.

SUPPLY DRIVES:

If you or your business, Scout troop, class, etc. would like to host a supply drive for our animals, let us know! Email events@vhslifesaver.org. If arranged in advance, we can take a photo of representatives from your group dropping off donations. Feel free to make copies of this sheet to hand out! Many organizations do a combination of supplies + monetary donations.

RESALE SHOP:

We also accept a wide variety of regular household items (not just pet items) in our Happy Tails Resale Shop. Check our website or find Happy Tails Resale Shop on Facebook for donation policy & hours.

THANK YOU!
